**1 Statement of Significant Accounting Policies**

United Voice, Industrial Union of Employees, Queensland (the "Union") is a Trade union domiciled in Australia. The financial report was authorised for issue by the Branch Executive on 17 September 2014.

**(a) Statement of compliance**

The financial report of the Union is Tier 2 general purpose financial statements which has been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements (AASB-RDRs) (including Australian Interpretations) and Industrial Relations Act 1999.

**(b) Basis of preparations**

The financial report is presented in Australian dollars on the historical cost basis.

The Union early adopted AASB 1053 *Application of Tiers of Australian Accounting Standards and AASB 2010-02 Amendments to Australian Standards arising from Reduced Disclosure Requirements*. This has resulted in a reduction of disclosures for financial instruments.

The preparation of a financial report in conformity with Australian Accounting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. These accounting policies have been consistently applied by the Union.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no judgements made by the Branch Executive in the application of Australian Accounting Standards that may have a significant effect on the financial report or estimates with a significant risk of material adjustment in the next year.

In the financial years ended 30 June 1997 and prior, the financial statements for the Union were prepared upon the basis of a belief (supported by Federal Court decisions) held by successive Committees of the Union that the Union was in fact and in law a part of the Federally registered Union called the United Voice. Consistent with this belief, the Union and its predecessors have acted and have administered for several decades as if they were the Queensland Branch of the Federally registered Union, and the financial statements prepared and lodged with the Industrial Registrar in the years 30 June 1997 and prior have consistently and accurately reflected this state of affairs.

## 1 Statement of Significant Accounting Policies (continued)

### (b) Basis of preparations (continued)

The legal controversy concerning the status of State registered unions, which existed in the courts for many years, was finally resolved by the High Court of Australia (*Re: McJannet; ex parte Australian Workers Union of Employees* (1995) 184 CLR 620). It is now clear from that decision that the Union is a legal entity separate from the Federal Union and its Queensland Branch, contrary to the beliefs earlier held, and that it is not accurate to record the income, expenses, assets and liabilities of the Federal Union or its Queensland Branch as belonging to the Union.

Accordingly, as the income and assets have always been the property of the Federal Union, and both union committees in Queensland have acknowledged this fact, the financial statements of the Union reflect the true state of legal affairs dictated by the High Court decision, that is, that the Union in Queensland has no income or assets in its own right.

United Voice, Industrial Union of Employees, Queensland (the "state entity") have entered into an agreement with United Voice (the "federal union") that the federal union, through its United Voice, Queensland Branch, provide all services (industrial, administrative and support) and facilities to the state entity so as to permit the state entity to perform its functions at no cost to the state entity, provided that the state entity does not impose entrance fees and contributions.

## 2 Industrial Relations Act 1999

These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee of Management, as well as evaluating the overall presentation of the financial report.

We performed the procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Australian Accounting Standards – Reduced Disclosure Requirements and the Industrial Relations Act 1999, a view which is consistent with our understanding of the Union's financial position and of its performance and cash flows.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.
